Absher Community Connections – There are numerous organizations in and around our jobsites that offer events that Absher employees may like to share their time with. These may be great team-building events and opportunities to participate with your own families, helping to teach our younger generations how important it is to be involved. Check out our calendar to see what is happening in your area. If you know of an event that you would like to share, please email Absher4Action@absherco.com or call Alysa Weidinger at 253-446-3542. These events will be reviewed by our committee before placed on the philanthropy calendar. Most of these events are not corporate sponsored, but just for your reference and interest only.
