Absher Construction Company and Johnson Family Stewardship Foundation (*previously Apple Physical Therapy Foundation*) are happy to host the 2023 Absher Kids' Cup Charity Golf Tournament. We're excited to combine our care for the community and golf enthusiasm to support the Foundation in its 25th year of raising funds for charitable causes.

This year's beneficiary is **HopeSparks**.

HopeSparks envisions a world where all children and families are safe, secure, and stable. Their mission is to strengthen families by inspiring courage and confidence to make a lasting change.

HopeSparks serves children and families in Pierce County who face trauma, abuse, and overwhelming life challenges.

Duke was born prematurely weighing just 1 lb. 15 oz. at birth. During his 5-month stay in the Neonatal ICU, Duke experienced a severe brain bleed and underwent several operations to treat a variety of complications. After being released from the hospital, his doctors referred him to **HopeSparks** for Early Intervention Services. With therapy and support from **HopeSparks**, Duke is now a thriving, healthy 3-year-old who loves to run around, tell stories, and use his imagination.
